Why J&J International offers you distinct advantages:

- UK syllabus from Years 1 to 11, including strong emphasis on Maths and languages (Mandarin included).
- Professional Communication programme by Trinity College London to boost confidence and self-esteem.
- Close and personal attention for better results.
- Value-for-money enriched programmes.
- Conducive learning environment at a good location, with outdoor sporting facilities.
- Leadership skills, financial IQ, EQ development and various life skills programmes available.

The aim of J&J INTERNATIONAL is to bring out the best of your child(ren). Here, we develop internationally minded people who, recognizing their value and talents, help to create a better world and add value to all around.
We provide a holistic educational approach that is not offered in other systems. Whilst your child benefits from the internationally recognised UK syllabus (IGCSE/‘O’ Level), he/she will also be coached in the specialised Communication programmes leading them to gaining additional qualifications at Trinity College London (UK).

The results are molding your child(ren) to become life-long learners with the following strengths:

**COMMUNICATORS** They understand and express ideas and information confidently and creatively in more than one language (including Mandarin) and in a variety of modes of communication. They work effectively and willingly in collaboration with others.

**RESPONSIBLE** They act with integrity and honesty, with a strong sense of fairness, justice and respect for the dignity of the individual, groups and communities. They take responsibility for their own actions and the consequences that accompany them.

**THINKERS** They exercise initiative in applying thinking skills critically and creatively to recognize and approach complex problems, and make reasoned, ethical decisions.

**Integrity**

**KNOWLEDGEABLE** They explore concepts, ideas and issues that have local and global significance. In so doing, they acquire in-depth knowledge and develop understanding across a broad and balanced range of disciplines.

**Creative**

**CARING** They show empathy, compassion and respect towards the needs and feelings of others. They have a personal commitment to service, and act to make a positive difference to the lives of others and to the environment.

**Risk-Takers** They approach unfamiliar situations and uncertainty with courage and forethought, and have the independence of spirit to explore new roles, ideas and strategies. They are brave and articulate in defending their beliefs.

**Intelligent**

**OPEN-MINED** They understand and appreciate their own cultures and personal histories, and are open to the perspectives, values and traditions of other individuals and communities. They are accustomed to seeking and evaluating a range of points of view, and are willing to grow from the experience.

**Caring**

**BALANCED** They understand the importance of intellectual, physical and emotional balance to achieve personal well-being for themselves and others.

**Visionary**

**Flexible**

**IQ+EQ**
